We are looking at organising a trip to Windsor Horse Show on Saturday 17th May 2025. Tickets would be for reserved seats in the West Stand (which has all access to arenas, showground and shopping, a reserved covered seat for the Castle Arena West Stand for the duration of the day). OR we can also offer General admission tickets which give access to the whole show ground including access to Castle stand but DOES NOT include reserved seating. Transport by a small coach/minibus from Bramley Pavilion where your cars can be left, free of charge, for the duration of the trip.

To arrange this trip, we need an indication of numbers in order that tickets and transport can be arranged. Tickets for the West stand cost £63 and for general admission cost £47. We need a minimum of 25 people which will keep the transport cost to under £30 per person. The more people we get the lower the transport costs become.

At this stage we do not want any payments, just an indication of interest is required by 28th February and payment of tickets will be required in full by 20th March, with no refund unless your place is filled.

Please email admin@mortimer-rc.info with your details and number of tickets required
